

Press Release

Pievesestina di Cesena, March 18, 2016

RESOLUTION OF THE CONSIP CONVENTION FOR THE SUPPLY OF DESKTOP COMPUTERS AD RELATED SERVICES

We inform you that on March 14, 2016, Consip S.p.A. has informed Olidata S.p.A. (the “Company”) to consider the Convention for the supply of low environmental impact Desktop Personal Computers and related services resolved for the Public Administrations (thirteenth edition) Lot n° 2 (the “**Convention**”). Pursuant to and per effect to articles 15 and subsequent of the relating General Conditions of the Convention and 1453 and subsequent of the Civil Code, in reason of the alleged serious and significant shortcomings relating to the execution of the obligations entered into by the Company upon signing of the agreement.

We also inform you that the company is evaluating the initiatives to be taken, also in a court of law, towards which there will be given a timely communication to the public.

Olidata is the main Italian Personal Computer producer. Founded in 1982, it boasts hundreds of thousands of systems installed and offers numerous PC brands, for all needs, from family to big companies. Thanks to the modern technologies used, the continuous investments in research and development and to the use of severe ISO9001 quality system rules for planning and production, Olidata’s Personal Computers guarantee quality and reliance beyond comparison. Olidata stands out also for being the first company in the sector to introduce in Italy the Build to Order system, which allows to produce personal computers on the basis of the effective needs and it allows an extreme production flexibility and adaptability to the specific needs of the customer and to the continuous market evolution.
