Olidata Group: contract worth over 18MLN signed with Digital Value Group

Rome, 08.05.2024 – Olidata, a leading operator in Italy in the field of ICT infrastructures and company listed on Euronext Milan, announces that it has signed, through its subsidiary Sferanet Srl, an important contract related to the supply of a hyperconvergence system related to strategic and critical infrastructures worth over 18 MLN for the customer ITD Solutions.

With the success of this contract, the Olidata Group consolidates its strategic presence by contributing strongly to the digital transformation of the country's system.

Cristiano Rufini, CEO of Olidata, commented: “This result is further confirmation of the value of the group and its strategic role in supporting the digital transformation of the country system.”

Olidata, headquartered in Rome, and with activities throughout the national and international territory, stands as an active **System Integrator** in the **digital services** sector operating in **B2A** and **B2B** markets offering complete solutions in the fields of **cybersecurity**, **Big Data**, **Artificial Intelligence**, **software development** and **GIS and IoT system** design.

Olidata is configured as a **holding** company, headed by several companies, each operating in its own business sector, but converging towards a common mission: to **create a national hub that focuses on new technologies** and new solutions completely made in Italy, to make the Group a true national champion, serving PA and Corporate Enterprise.
